They're also safe to use with non-stick and coated cookware, which is essential for preserving the quality of your pots and pans. No need to worry about scratches—these spatulas glide smoothly over delicate surfaces without causing any damage.

Versatile Set for Every Kitchen Need

The Le Regalo® Set of 4 Silicone Spatulas includes four different sizes, ensuring you have the right tool for every task:

- **Large Spatula:** Ideal for mixing large batches of dough or batter and scraping bowls.

- **Small Spatula:** Perfect for more delicate tasks like icing cakes or spreading fillings.
- **Mini Spatula:** Excellent for precise work, such as spreading frosting or getting into tight corners of jars.

No matter what you're cooking, this versatile set will have the right size and shape to help you get the job done with ease.

Food-Grade, BPA-Free Silicone

The quality of materials used in kitchen tools is just as important as their design, and this spatula set doesn't disappoint. Made from high-quality, food-grade silicone, these spatulas are BPA-free, ensuring that no harmful chemicals will leach into your food during use. You

can feel confident knowing that you're using tools that are both safe for your family and environmentally friendly.

Easy to Clean and Store

Cleaning up after cooking can sometimes feel like the hardest part, but the Le Regalo® Silicone Spatulas make it easier. They're dishwasher-safe, so you can simply toss them in with the rest of your dishes for a quick and hassle-free cleanup. The non-stick nature of silicone means food residue doesn't cling, so even hand-washing is a breeze.

Each spatula also comes with a convenient hanging loop, making them easy to store. Hang them up for quick access or neatly tuck them away in a drawer—either way, these spatulas won't take up much space in your kitchen.

Durable and Long-Lasting
